FORM A1

Dear SASA Applicant,

Thank you for showing an interest in joining SASA. Here is the procedure for applying to join SASA.

Step 1: JOINING CRITERIA

Read the JOINING CRITERIA (Form A2) and see where you stand with the skill requirements. Fill in the NEW APPLICANT form (Form A3).

Step 2: INDUSTRY RELEVANT EXPERIENCE

If you have any previous experience working on set etc, then please add relevant details to form A4 (which productions you have worked on, who for, what role and can you get a reference from your employer?) Fill in the INDUSTRY RELEVANT EXPERIENCE form (Form A4).

Step 3: STUNT COMPETENCY SKILLS

Once your skill requirements have been accepted by the SASA Board you will be sent the details of SASA affiliated training establishments (Form B1) and the Competency Skills Form (Form B2). Here you will be able to attend workshops that will help you gain the skills necessary to all stunt performers. Once you are confident with your skill set, it will be your responsibility to film and edit skills in the same layout as the SASA Competency Skills Form (Form B2) and submit this to the SASA Board.

Step 4: ACCEPTANCE INTO SASA

If you meet the JOINING CRITERIA (Form A2) and pass the STUNT COMPETENCY TEST (Form B2) then you will be invited to join SASA. You will be asked to pay the nominal joining fee of R2800.00 and become a ENTRY LEVEL MEMBER and be sent all the information you need from the SASA administration team.

Kind regards

SASA
