SASA GUIDELINES

TERMS OF ENGAGEMENT

1. SUGGESTED GUIDELINES FOR RATES*

FEATURED RATES:

A featured rate may be applicable if you have a cast number or in some circumstances when the director has asked you to perform dialogue or heavily featured action. This is to be discussed with the stunt coordinator **before** you accept the work or when the situation arises on set. A minimum recommended rate as per above guidelines or more is to be decided by the Stunt Company and Production. The stunt performer, stunt coordinator and producer should all be in agreement with this before the action is filmed.

WORKING OUTSIDE OF SOUTH AFRICA

When working outside of South Africa, a member's rate should be negotiated with reference to rates currently being paid to equivalent stunt service providers in the relevant country. At a minimum we recommend that members should be paid 1.5 times the Daily Rate paid in South Africa.

*Namibia and neighbouring African countries will be considered outside of South Africa.

ENGAGING STUNT PERFORMERS
