

SASA Joining Criteria

SASA Entry Level Member

All applicants for SASA Members must be at least 18 years of age.

Of the five (5) categories - Body Control, Heights, Vehicles, Animals (Riding and Driving) and Water applicants must have competency in Body Control and three out of the four remaining categories with a choice of skill within each category. However, it is compulsory for the applicant to have competency in one of the skills in Sub-Category A – Physical and one of the skills in Sub-Category B – Fighting.

If an applicant has a skill that they think may be industry relevant then this skill can be submitted to the SASA board for consideration.

All candidates will need to compile a document with proof of all the relevant skills and courses completed and submit these to the SASA board.

Category One – Body Control

Body Control Competency to be evidenced in a range of basic stunt body control skills such as but not limited to basic falls, rolls, fights and work with mini trampoline and rigs. Logbooks signed by SASA recognised stunt coordinators must be used to present written evidence of skills achieved through training in addition to VIDEO evidence.

Sub-Category A – Physical

All applicants must show proof of a minimum of one-year active involvement with evidence of competition and/or reference from a recognised instructor/coach in one of the following fields.
